Fall Series:

### God Is Closer Than You Think

Every moment of your life is like a page in a Where's Waldo book. God is there, the Scriptures tell us—on every one of them. But the ease with which he may be found varies from one page to the next. God is closer than you think! Intimacy with God can happen right now if you want it. A closeness you can feel, a goodness you can taste, a reality you can experience for yourself. That's what the Bible promises, so why settle for less?
